

Technology-Connected Lesson Plan

Title:	Beginning Sounds
Grade Levels:	K-2
Curriculum Areas:	🖥️ ELA/CC/Reading Essentials
Measurable Objectives:	🖥️ TSW demonstrate an understanding of letter sounds by identifying words that begin with the same sound.
LA Content Standards/ GLE:	🖥️ Demonstrate understanding of phonemic awareness by identifying when words begin with the same sound (ELA-1-E1)
Technology Standards:	🖥️ <i>Use technology resources to assist in problem-solving, self-directed learning, and extended learning activities</i>
Technology Connection:	🖥️ Starfall Reading www.starfall.com
Procedures:	<ul style="list-style-type: none"> 🖥️ Modeling: TTW demonstrate the use of the Starfall Internet site for the students. 🖥️ Guided Practice: TTW lead the students through letters A and B to assure they understand how to navigate through the letters of the alphabet. 🖥️ Independent Practice: TTW work independently on the remaining letters of the alphabet. 🖥️ Review: TTW review words that begin the same with the students. 🖥️ Closure: TTW have the students generate words that begin with the same sound as the one she pronounces.
Materials:	🖥️ Computer Lab
Assessment:	🖥️ Teacher Observation/Student Participation
Teacher's Name:	🖥️ Dina Spears/School Tech
School:	🖥️ Midway Elementary School
