

PURPOSE

Research shows that greater family involvement in children's learning is a critical link to achieving a high quality education. The Title I Parent Center will encourage and support efforts by families to take a more active role in their children's learning.

GOALS

- To offer parenting training sessions
- To guide parents in helping their children with school work
- To guide parents in preparing their young children for future entry into the school system
- To loan educational materials to parents
- To provide individual consultations as needed

resources available to you!**

QUESTIONS

AND

ANSWERS

What parents can use the service?
All parents whose children attend Title I schools or meet the guidelines of targeted assistance programs are eligible.

Does my child have to be school age?
No, the Parent Center has readiness materials for young children residing in Title I zones. Since parents are their child's first teachers, the center is here to help them get started.

What is the cost?
The service is FREE. The Parent Center is federally funded through IASA.
