

SECTION VI: TRANSPORTING STUDENTS WITH SPECIAL NEEDS

N. SUPPLIES

Drivers should maintain the following supplies on their bus as provided for by the Lift Bus Supplement. Lift Bus operators driving on a bus provided to the route by TPSB, may request supplies through the schools they serve. If assistance is needed, the driver may contact the Transportation Department.

The following supplies should be maintained on buses transporting students with special needs:

- Commercial or locally prepared clean-up kit
- Facial Tissue
- Paper towels
- Cleaning tissues or alcohol rinse
- Disinfectant spray
- Water container
- Latex or vinyl gloves
- Small garbage bags
- Absorbent granules

ⁱ Revised Date July 1, 2008.
