

**TANGIPAHOA PARISH SCHOOL SYSTEM  
SUPERINTENDENT'S GOALS - 2008-09**

- 1. Develop and implement School Data Teams that will be knowledgeable in accessing, reading, interpreting and analyzing summative and formative data for decision making at the school and district level.**
- 2. Implement Scantron Formative Benchmark Assessment in grades 2-8 that is aligned with the Grade Level Expectations (GLEs) of the state curriculum.**
- 3. Develop and implement strategies to remediate students during the regular school day.**
- 4. Develop and implement a plan to increase the graduation rate through a variety of programs such as Credit Recovery, Virtual High School and Ninth Grade Academy.**
- 5. Develop a Human Resources Handbook to assist employees in becoming knowledgeable about the policies and procedures related to personnel issues.**
- 6. Establish a Leadership Academy to identify potential school leaders in our district.**
- 7. Develop a Child Welfare and Attendance Handbook and expand the Truancy Court Program in the district.**
- 8. Continue to expand the use of technology as a tool for coordination, collaboration and communication purposes such as teleconferencing and videoconferencing.**
- 9. Develop a plan to disseminate positive school news and information to parents and community throughout the school year.**
- 10. Develop a School Finance Handbook to assist schools in becoming knowledgeable about the policies and procedures related to school finance issues.**
