

# OnCourse Lesson Plan Newsletter

November 2008

## **\*\*New\*\***

### **Attention:** SpEd Teachers!

A new tab has been added to OnCourse to link the LA SPED Standards to your lesson plans.

In the Lesson Plan Editor box, click on the LA SPED Standards tab

- ◆ Click on your Content Area
- ◆ Select your grade level
- ◆ Click the plus sign next to the Standard that you want to link to your lesson.

- ◆ When you have finished adding Standards, click "Save" or "Save & Close"

Note: Instead of scrolling through all Standards, use the "Search" box to find Standards related to a particular topic.

## **\*\*Cool Tools\*\***

<http://www.teachertube.com/>

<http://blabberize.com/>

You can now "jazz-up" your OnCourse teacher website by embedding videos from TeacherTube and Blabberize. You can find step-by-step directions at the bottom of the OnCourse Schools List page @ <http://www.tangischools.org/uncourseschools.html>

Check out Amy Ard's OnCourse webpage to see examples of both TeacherTube and Blabberize. [http://www.uncoursesystems.com/school/view\\_webpage.asp?id=373419](http://www.uncoursesystems.com/school/view_webpage.asp?id=373419)

## My Calendar

Use the "Calendar" feature to post important events and/or due dates for your students and parents.

- ◆ Click on "My Calendar" from the "Navigation Tree" The calendar window will open.
- ◆ Click **Add Event** to add an event to your calendar

All homework assigned will appear in BOTH the lesson plan calendar and on the homework calendar without posting it to the website.
